## **SOFTBALL LEAGUE CHANGES:**

Due to high enrollment numbers, we divided the teams into grades versus ages again this year. There are only three leagues offered through the Ridge & Valley, so depending on registration numbers, we may have to schedule a few games for each team through the Coulee Region League. When doing this, we will try to stay away from Monday nights for the older girls so they can attend volleyball league if they choose. Our goal is to make sure that all levels get enough games to play this summer. Growing numbers is a good thing, but can sometimes present some challenges!
